

U. S. NAVAL AIR STATION
JACKSONVILLE, FLORIDA

November 6, 1944

Dear grandmother,
I received your letter today and appreciated it very much. ~~and~~ I enjoyed talking to you yesterday on your birthday. We were told today definitely that we would go on the 14th. I am now sure I am going to Radio in Memphis. They told us that after we are there for a while we will probably get 5 1/2 and after we get out of school 10% get votes as Aviation Cadets 3/4 and after summer 20% get it and after operations the rest get it.

I got a letter from J. Elmer the other day and he said he thought the Radio was best. We are going to march in an Armistice Day parade in Jacksonville on Nov. 11. I hope your eye is doing all right.

I will be glad to start school. This
loafing around gets tiresome, we seldom
do any work, but I guess its easier
than having to work all
the time

Sam
