

Dear aunt Frances:

I received your letter the other day and decided that it is about time that I wrote you. Since you hinted that I haven't written for quite a spell. I thought I sent you a mas card that I bought in Tokyo.

I guess by this time Elmer will be a free man, and I know that that won't make him sad. I hope to out in time, at least to start school next Sept. I think I am going to Texas U. and study law. Boy! I'll be glad to get out of those monkey clothes!

I have just returned from a 150 show that we had set our camp. It was pretty fair but not too bad.

I really had a swell time in Tokyo and hope to go again soon. I have connections at our airport and can go almost anywhere in orient if I can get off work. I am going to try to go to Singapore next.

I am now working in the communications office here. Running intertype and public address systems. I only work a half day at a time and spend most of my time off reading, as that is about

all there is to do over here.

I hate about all for now so.

Love
Frank

P.S. Regards to everyone and tell
Oliver to write me if he has time,
~~love~~

P.P.S. You probably won't be able
to read this but I tried anyway
