Dear grandmother,

I have been glad to receive all your letters and all the newspapers and newspaper clippings. I still don't know when we're going to leave but we've been told the only reason we aren't overseas now is because they don't have ^{the} shipping. yesterday we went out and learned how to fire and did fire Rocket guns

~~Bagoo~~ Bazookas and Mortars.

We were also given some training on land mines and shot rifles at targets. I ~~that~~ have been about all the training since had details of lectures. all the officers here seem to be nice fellows and they treat us swell.

According to the clipping dad sent me on V-12 I am qualified because I can pass the physical and I have the required credits and subjects. I also made 6.6 of 6.8 ~~on~~ on the Classification test.

I wrote the office in San Francisco but I
don't know if it's there or S. C.

is all that about all for now

Love
Frank
