SOMEWHERE IN
THE PACIFIC

Dear Dad + grandmother,
I've just finished writing a letter to Bob Spelman
+ grandfather + grandmother Bass.

We have now stopped at another island.
at the last one, where I mailed the last
letter we were permitted to go ashore and
go swimming and get some cold drinks. I
don't know if we will be permitted to do so
here or not. We crossed the club member
ship line and we are going to get cards
saying that we did.

It's very hot here and I'm getting a
good sun tan. We don't appear to be here
long but we don't know when we will leave.
We have been told our destination and
are anxious to get there but we don't
know when that will be.

I forgot to tell you in my last letter
to send me all the reading material you can.
All the old or new magazines + newspaper
clippings. About all we have to do is read
and we enjoy magazines best.

Church services are held every Sunday
on the deck and I have been attending
them.

Will you tell me about all my friends +
when they are.

Give me Elmer S. + J. Clary + Milton's address + also
any of my classmates that you have.

I can't think of anything else for
now so

All My Love,
Frank
