Dear Folks,

Here I am back at my old task of letter writing. I haven't any news to write but I guess I might as well let you know that I'm still alive.

I have been feeling a little sick for the past few days. I have had a little fever and have been a little weak but I'm feeling better now. Most of guys here have been feeling the same way and have gotten over it so it's nothing to worry about.

It's still hot over here but we are getting some breezes now. If you have any shipments that have my name in them send them to me.

I have received one box from you with paper and canned cookies. They were in excellent shape and were really delicious.

I have been going swimming and seeing movies regularly. That's all I can think of for now

Love  
Frank
