Dear Folks,

Again I find myself on duty with nothing to do, so I decided to drop you a short epistle.

It looks like you are spending a good deal of money lately. I hope you won't have it all spent before I get back since I would like to help you. Why don't you see if you can buy a new auto. It would be nice to get new furniture for the house, also.

I received the roll of film that you sent me and am saving it to use in Shanghai when I go. It will probably be about a month or more before I am able to go but, I think I will be able to go before it is time for me to go home.

Life over here is as dull as ever, I hope
that our time will pass
fast.

Love
